2. CCC requires male dogs to be de-sexed by 8 months of age
3. Please advise CCC if your dog has been vomiting or had diarrhoea 24 hours before attending day care or any other sickness
4. Boarding kennels- if your dog has been housed in boarding kennels for a short or long stay your dog must not attend day care for at least 10 days after their kennel stay to prevent the possible spread of kennel cough within our facility and the wider community (this excludes Bethells Farmstay as we have a working relationship with them)
5. If your dog does contract kennel cough at any point in time there is a 10 day stand down period after the dog has finished its antibiotics and symptoms have subsided (this may mean your dog is off day care for two-four weeks)

1. Dogs are entitled to a field trip at a rate of \$26 on days when they are at day care.
2. Dogs must have decent recall and good off-leash manners to attend field trips. If we feel that your dog is not suitable for a field trip we will let you know and advise what training needs to be done prior to a trip.
